

MADERA

MADERA SERIES 505

Madera Guest chair brings Art Deco architecture and design to the workplace. It combines modern styles with fine craftsmanship and rich materials. During its heyday, Art Deco represented luxury, glamour, exuberance, and faith in social and technological progress. The Madera is manufactured from solid beech wood with beech veneer seat and back and finished per your request.

LEGS

Solid Beech wood finished to customers request

SEAT

Beech plywood veneer finished to customers request with upholstered foam seat upon request

BACK

Beech plywood veneer finish to customers request

NOTE: Photos on this literature are shown with Beech wood veneer seat and back and solid Beech wood legs. The finish is Walnut in these photos.
